SYLLABUS FOR MATH 644/444, SPRING 2010

PROFESSOR TOM RAMSEY

(i) The text is *Complex Function Theory, Second Edition* by Donald Sarason. You don’t have to buy it, and can use other books such as Conway’s instead. However, the course will follow Sarason’s book closely.

(ii) Grades:
- One mid-term examination (25%)
- The final examination (25%)
- Daily evaluation (quizzes, homework, etc.)(50%)
- A score of 85% will guarantee an A; 75% will guarantee a B; 65% will guarantee a C and 55% will guarantee a D.

(iii) Office hours (for visiting without any appointment) are 10:30 am to 11:15 am Tu/Thur. Appointments at other times are welcome. To make an appointment, please telephone (956-4666) or email ramsey@math.hawaii.edu

(iv) The final exam is on Tuesday, May 11, from noon to 2:00 pm.

(v) For Math 444, the withdrawal deadline (for a grade of W) is March 12, 2010. After that, only your Dean can approve a withdrawal. For Math 644, consult with the graduate chairman about withdrawals.

Date: January 7, 2010.
