

Diversity and Equity Initiative at the University of Hawai'i

*The Department of Mathematics Presents...*

**An Afternoon of  
Beautiful Mathematics for Girls**

*Sofia Kovalévskaya*

**December 7, 2008**

**1:00 - 5:00 p.m.**

**FREE EVENT**

**Campus Center Ballroom**

**University of Hawai'i at Manoa**

<http://www.math.hawaii.edu/~mchyba/public/index.htm>

Girls in elementary and middle school, along with the families, will be treated to some short expository talks about beautiful and exciting mathematics. They will then have the opportunity to explore mathematical ideas more deeply at the mentor-run discovery stations.

*"I think, therefore I am"*

*-Rene Descartes*
