Final:  May 14, 2004 Friday noon-2:00pm

Grading policy (in percentage)
Final 40, Midterms 30, Homeworks 30

Academic expectations

For a detailed discussion of what to expect from this course please consult the web page

http://www.math.hawaii.edu/~dale/Expectations.html

Pay careful attention to items 3 and 5 of this document. It is very important that you attend the lectures. I may cover material that is not in the book and give additional examples and exercises. Please feel free to speak up if there is any ambiguities about the expectations, do not wait the last day of class.

The instructor reserves the right to modify the syllabus at any time. All changes and additional information will be given in class.
